

NAVAL STORES DEAL IN WEST END

D. W. McArthur and Others Purchase Extensive Plant.

MANY THOUSAND ACRES

Fine Round Timber and Thirty Crops, or 300,000 Boxes, included in the Deal—Firm Will in Future be Known as D. W. McArthur & Co.

Another extensive naval stores deal has been made in this county, D. W. McArthur of the Florida Land Company, Montbrook, and others, having purchased the immense naval stores interests of D. McKinnon & Co., near Newberry.

The tract comprises 10,000 acres of round timber, and in addition to this the plant is working thirty crops, or 300,000 boxes, which are yielding handsomely.

With the present price of turpentine and resin, and the output, this farm is bound to prove a most prosperous financial venture.

JUSTICE COLMAN'S COURT.

Richard Robinson Was Fined Upon Charge of Fighting John McCray.

John McCray, a hackman, who was fined in the mayor's court Saturday morning upon a charge of fighting Richard Robinson, who had been arrested upon the same charge, and discharged, was not satisfied with the result, and, upon a warrant caused to be issued by him, Robinson was "hauled up" before Justice Colman on Monday. In the opinion of Justice Colman, after the case had been stated to him, Robinson was adjudged guilty, and was assessed a fine of \$1 and costs, which was promptly paid.

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

An Approaching Marriage.

The principal society feature of Evinston for the next few days will be the marriage of James Walter Means to Miss Sarah Augusta Evans, daughter of Mrs. Mary Evans, which will occur on Wednesday, November 8.

The contracting parties have many friends not only in the Evinston section, but throughout the entire county, who will extend congratulations in advance.

MOZLEY'S LEMON ELIXIR

REGULATES THE
LIVER,
STOMACH,
BOWELS,
KIDNEYS.

The inventor of the famous "TERRELL SCRAPE," a man known wherever plows are sold and used, says:

"I have used MOZLEY'S LEMON ELIXIR for 10 or 12 years in my family for the stomach, liver and kidneys, and find it is the best medicine I have ever used. It is also a sure specific for pain in the back or under the shoulders. I have recommended it in numerous cases to my workmen, when sick and unable to work, and it has always given perfect satisfaction. H. D. TERRELL, President Atlanta Plow Co., Atlanta."

MOZLEY'S LEMON ELIXIR.

AN IMPORTANT DEAL.

Eighty-One-Acre Tract Near University Grounds Purchased.

Another important land deal has been made in this city, which shows that real estate is still lively. The deal comprises eighty-one acres of land on West Liberty street, opposite the new University grounds, known as the Ellis property. It is, owing to the location of the University grounds, among the most valuable in the city.

The purchasers of this tract are J. J. Haymans, E. W. Millican and P. H. Baker, and it is understood that the price paid was a good one.

The purchasers propose to divide the property into building lots, and will place the same on the market at the proper time. They will each, however, erect a nice residence on the new possession, and in consequence of the close proximity to the new University no better homes can be found in Gainesville.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price 75c per bottle.

Take Hall's Family Pills for constipation.

Park's Georgia Success.

The success of the Park Stock Company, which opened a week's engagement in this city Monday night, was remarkable in Georgia, especially in Valdosta and Dublin, where they were compelled to turn away people nearly every night.

This company is now making its second annual tour of the South, and the proprietor and his associates are so clever that they are making friends always. The coming of Mr. Park to Gainesville this year was one of a great deal of sincere pleasure, not only for the excellence of his show, but on account of the warm friendship which our people have for himself and estimable wife and clever son, Sam, which has been retained since last season.

"You know it does the heart good to meet people like the Gainesville folks," Mr. Park admitted yesterday. "They were so good and kind to us last year, and seemed so much to appreciate our humble efforts to entertain them, that my good wife and myself have anticipated very pleasantly the visit this season."

Mr. Park expects to return to Gainesville in January, when he will present a benefit to Gainesville Lodge No. 990, B. P. O. E. He is a prominent and enthusiastic member of that order.

Neuralgia Pains.

Rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bones, and being absorbed into the blood its healing properties are conveyed to every part of the body, and effect some wonderful cures. 25c, 50c and \$1. Sold by W. H. Johnson.

CONDITION SERIOUS.

Young Strobhar, Who Had Foot Amputated, is in Serious Condition.

Noble Strobhar, the young flagman on the High Springs-Rocelle freight train who had the misfortune about ten days ago to get his right foot severely crushed by car wheels at High Springs, and who was afterwards operated upon and taken to the railway hospital at Waveross, is in a critical condition.

The operation was first performed at High Springs, where the accident occurred, but in the attempt to save as much of the foot as possible the attending surgeons did not take off quite enough, with the result that blood poisoning set in, and it became necessary to make a second amputation.

Reports are that young Strobhar is in a serious condition, and that he may not survive the last operation. His friends here hope that he will overcome this trying condition, and that he will soon be out again.

Mr. Strobhar is the son of J. N. Strobhar, former agent at this point of the Atlantic Coast Line. His father is now sojourning in Canada.

Best Liniment on Earth.

Henry D. Baldwin, Superintendent City Waterworks, Shullsburg, Wis., writes: "I have tried many kinds of liniments, but I have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 25c, 50c and \$1. Sold by W. W. Johnson.

Automobile Trip to Gainesville.

Sunday morning Messrs. J. H. Speneer and G. K. Robinson left Ocala at 4 o'clock for Gainesville. The run was made in four and one-half hours, including a stop of one and a half hours at Micanopy. An automobile was repaired in Gainesville, several minor stops made on the return trip, and the two gentlemen arrived home in time for supper last night. They report a very pleasant trip—Ocala Banner.

Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon I was plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerably for an old man, 64 years old."

H. D. McCall, Front, Ohio.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.
